Road Home Postpones Friday Outreach Event in New Orleans

BATON ROUGE - The state of Louisiana has postponed the Road Home outreach event originally scheduled for Friday September 5 in New Orleans until residents that evacuated due to Hurricane Gustav have time to return to the city and power is restore.

Outreach events are designed to help applicants move through the Road Home program and meet a November 1 deadline for those who have not made their benefit option selections to do so.

Due to Hurricane Gustav, all Road Home offices are closed until Monday, as is the Road Home call center.
